News Release:

Alex Polacek, Boy Scout troop # 170, recently completed his Eagle Scout project at Logan Elm State Memorial. Alex, and his volunteer crew of scouts and adults, spent several weekends clearing brush and constructing over 200 feet of new split rail fence at the park. Alex also repaired and replaced several broken posts and rails along the already existing split rail fence. The Pickaway County Park District is extremely grateful to Alex and his crew for helping us keep Logan Elm Park in good repair. Logan Elm Historic Site located at 4020 State Route 361 is owned by the Ohio History Connection and managed by the Pickaway County Park District.
