

fence and plantings were removed so it would come under 50,000. Motion to approve a contract up to \$36,500 was made by Bigam, second by Hartinger; motion carried.

- 4) Hartzler received an Internship request from an OCU student. After checking with other park districts, the duties, qualifications and details were developed (attached). Madelyn Parker was the only application. The weeklong Education Camp as a benefit which usually would cost \$2-300. This year, it is free and virtual. Parker's main task will be developing new education programs. This internship helped establish a relationship with OCU. It was noted that Parker is Hartzler's sister.
- 5) Maternity Leave Update: Hartzler will start maternity leave in late June and return in August. Davis is checking with the county administrator to find someone to work on invoices and vouchers. If Davis has to process them, he may increase his hours from 36 to 40.
- 6) Education Programs: Draft program in packet: New features include partnering with Soil and Water and Solid Waste and a Junior Conservationist Program. Must complete so many activities to be awarded with ball cap or button. Open to all ages geared to late elementary. No charge to register. Plans to launch by May 1 and close it down in October. Must send in photos etc. before then. Also bringing back Fabulous 50 walks on the first Wednesday of every month. The library will be doing in person programming. Experience Earth Camps set for August at Canal Park.
- 7) Volunteer Updates: Due to weather, February date for invasive plant removal training is changed to March 3. April 14 removing stumps, rocks, brush for mowing; May 5 Roundtown Trail Fabulous 50 will start with Jean Webb hosting. She is looking for other leaders. June 16 is for cleaning and other dates on the attachment are for education.
- 8) Scioto River Bridge update: Public meeting March 2, 7 p.m. virtual with registration on website. Last meeting had very little participation.

F. Guests: Newman said the Bird Company is launching electric scooters in Circleville. The primary issue for the district would be restrictions or allowances of use on trails as they are motorized. Some metro parks have had problems with scooters being left at the parks.

G. Unfinished Business: see Director's Report.
